

Uzbekistan will host the 4th Al-Khwarizmi International Mathematics and Informatics Olympiad

The Al-Khwarizmi International Mathematics and Informatics Olympiad will take place in Tashkent, Uzbekistan, from June 1 to 7, 2026. This prestigious event will gather talented high school students from across the globe to showcase their skills in two of the most fundamental fields of science: mathematics and informatics.

More than ten countries, including Uzbekistan, Kazakhstan, Kyrgyzstan, Turkmenistan, Tajikistan, Azerbaijan, Belarus, Turkey, Italy, Malaysia and Qatar are expected to participate in this year's Olympiad.

More information:

The opening ceremony of the Al-Khwarizmi International Olympiad in Mathematics and Informations will be held at the Tashkent region, Uzbekistan. The closing and awards ceremony will also take place at the same location, with the presence of officials from the Ministry of Preschool and School Education of the Republic of Uzbekistan, international guests, and diplomatic representatives of the participating countries.
